Wampanoag leader Frank James' account of the effect of the Pilgrim fathers on his tribe:

“The Pilgrims had hardly explored the shores of Cape Cod for four days before they had robbed the graves of my ancestors and stolen their corn and beans.”

“They took as much of the Indians' winter provisions as they were able to carry.”

“Massasoit, the great Sachem of the Wampanoag, knew these facts, yet he and his people welcomed and befriended the settlers.”
